“ I have only known Josiah for a year, but he was the sweetest little kid I've met. He would always bring joy to me when I couldn't find it myself. When we talked I'd always have a smile on my face or walking away in laughter. He seemed so happy and giving people laughter when they needed it. I love u Josiah.

“ I subbed at New Market for years. Josiah was a well-behaved, sweet kid and always smiled at me. His mother gave me one of Josiah’s Power Ranger costumes that he outgrew, for my son. My little boy wanted to wear it everyday. Jessica, Jesus is holding your sweet boy and you will see him again. Until then I can’t imagine your grief and pain. I am praying for you.

“ Growing up alongside Jojo was something I will value forever. He was my favorite person to travel with and was so much more to me than just a cousin. For a long time me and him were the only two grandkids and we did everything together any time I knew Jojo was visiting I would try to be in town so we could have a sleepover and hang out. I miss him so much and love him endlessly. My favorite memory of Jojo is when we took a trip to Indiana and they had a pop-up carnival and we convinced our grandparents to take us. We got on the Ferris wheel and it made awful creaking noises the whole time it went around. He sat there and made jokes and we laughed about it all night even once we got back to the hotel that's one thing I loved about him he could turn anything to a joke and could always make light of any situation. I hope he is no longer in pain and that he's at peace. Love- Kat❤️🕊️

“ I know I've only known Josiah this year but he has become my best friend and only person that I could actually trust. One of my favorite things that he used to do was eat in Mr.yarnells class and randomly pull out a thing of Oreos or chips. I love and miss Josiah so much and can't wait to meet him again in heaven one day. I'm praying for his family and Liam. I hope that all of the pain that he once had is now gone and he's much happier up in heaven. ❤️💙🕊️L.L.J

“ It was our honor to know Josiah. My husband and I were privileged to be the van driver/monitor who picked Josiah up weekly for the youth program for First Baptist Church Strawberry Plains. Our happiest memories were the times when it was just him on the van. He shared stories about his dirt bike, christmas and his plans for snow days from school. He was a kind child who was always respectful and polite. We pray for comfort and peace for the family. The Lord is near to the brokenhearted. Psalm 34:18

“ I was Josiah's first grade teacher at New Market and this has shattered me for you all. Some kids are just special and you love them like your own and think of them often and wonder how they're doing... that was Josiah. Smart, kind, beautiful inside and out and so fun, silly and brilliantly smart. I'm sending all the love I can give to you all and your precious son.
