“ *Aunt Joyce will always live happily in my heart and I will cherish all the memories of family Christmas gatherings and fun times during the summers when we would visit. She had a special way of telling stories and would always make us laugh. We will miss her terribly and I pray everyone that loved Joyce is comforted during this difficult time.*

Wanda, I am heartbroken. I think of you all often and am so glad I had such great friends to grow up with. Joyce was so full of life and laughter! She will be so missed and I loved her (and you) like the sisters I never had. My prayers are with you and your family.

Wanda, so sorry to hear that Joyce is no longer with us. I think of both of you often. She and I had a lot of fun on our trip to Hawaii. She made me laugh all the time. I remember how she loved Clint Eastwood. I will miss her. Mary (Denton) Heatherly

I was blessed to be among Joyce's many friends since we were children and our entire lives. True to her name, she was a "joy" to know. She will be missed!
