“ *Juju, one of things I remember the most is if someone greeting Judy they would say Hello lady; Juju would say don't cuss me like that. My daughter would always question when Juju and I went running roads if the city survived us lol. I will miss our time together. You were my BFF. I Love you girl. YOUR LARLAR. Laura Sparkman*

“ *Judy was one of our adopted family members. She was my mom's best friend and one of the most amazing ladies I knew. Judy was such a blessing she did all of my flowers for my wedding on May 4, 2024. Probably the biggest supporter for Marty and myself. Judy was the most giving generous ladies I ever knew. She will be remembered fondly and often. Oh and yes Judy I called you lady. You know!*
