“ *I just wanted to say that Aunt Judy was a very special lady in my life. When ever i would sing for her and Uncle Jimmy.They made me feel like that i didn't have to be in Nashville to be a big star.With the love that i have received from the both of them others as well in the family. They all made me feel like i was number one to you all and i love all of you from the bottom of my heart for that.I sure hate to lose one of my biggest fans But I Love You Aunt Judy will see you again some day for sure.
