“ *Danny and Mary, I am at a loss for words. I did not know Justin very well, and I think I was only ever able to meet him once. But, I know that my sister and cousins, and family thought very highly of him and were so grateful for his support while papaw was in the hospital. I pray that you are able to find some peace during this tragic time. Lawrence, Beth Anne (Lindsay), & CoraBeth Mayi.*

First time I met you we all went to the comedy club, had a blast your where friendly from first speaking you where a kind an nice looking young man. Always chatted when you saw me, which was only a few times. So glad I met you and shared a few laughs. You looked just like your mom.
