I remember the love that he showed me after losing my parents. He was always that loving uncle with a kind smile and words i remember when I was young, he would come and pick me up. And I would go with him and Peggy all the time, and we go pick up Her nieces and nephews. I'm gonna miss you, uncle Kenny, fly high

“ My memory is setting around the porch on Van Dyke chatting with Mom Hunley and all of us. We had some good times. Sorry for your loss Peggy I know how you are feeling right now. All we can do is take one day at a time and let God comfort us. They just have beat us home. And we will see them again.
