“ As a UPS driver in Jeff city, Kurt was a favorite customer and friend. I met him most mornings in Newmarket so he could get his parts for the shop. Most days he was the first person I spoke to when I got to Jefferson County, and I'll miss him dearly. God bless him.

“ Kurt was a dear friend of mine and He was my first patient when I opened my Dental Office in 1985. I asked Kurt if he would take my father Joe sailing on his Hunter sailboat because my father's health was failing. Of course he was more than happy to do so. It was a breezy Oct. day! We all enjoyed it. Thanks Kurt You will always being remembered. Alex Miller

Kurt was a life long, good friend. I spent many a night on the beach at his Cherokee Lake residence when we were younger, enjoying partying and sending time with all of our friends. He was a well respected individual. He will be missed by all who knew him. "Pod" Miller.
