“ Linda was part of my earliest childhood memories. She and mom were friends my entire life. My Mom, Judy Cozart, is heartbroken over her passing but because there is pain we know there was great love and that love never dies.

“ Linda was such a sweet soul. I met her at Waffle House while visiting with my daughter, then I'd see her around Jeff City and we'd always stop and chat for a moment. May she rest easy, she will be missed.

“ Sure going to miss our neighbor and friend. Always there to lend an listening ear and share a funny story or joke. Seems like she always knew when we needed some laughter in our lives. Good neighbors are hard to come by. She was very special. I truly called her my friend. Our neighborhood won't be the same without her. Love and prayers. Imogene Gann
