Lisa was a free spirit indeed who wanted to enjoy life but hit a lot of road blocks during her stay here. She had a contagious smile which could warm the hearts around her. I want to say to her boys, John and Jeff, to continue on the love for life she had and always remember how much she loved you. When you struggle in the days ahead just know she did too and she wants the best for you always. All my love and prayers to my Aunt Lola, Teresa, David, and Ricky, John, & Jeff. I pray the Lord's comfort on you all during this sorrowful time.
