“ A caring soul, departed too soon. I pray that you are resting easy in the arms of Jesus. I pray your life will always touch and change someone else's life for the good. Tell my Mamaw and papaw that I sure do miss them.

“ I wasn't around very much but I did know Moe for quite some time. What I did know of him was that he was a great guy with a gentle soul and the biggest heart. I hate that you were so suddenly taken at such a young age. The man above must have needed you more than us here on earth although we wish you were still with us. We miss and love you. May you rest in peace until we meet again my friend.

“ *I am Christy Adkins, Lucian's fiance off 10 years. We shared many memories together including a home. I was his family as well as I was there with him everyday. Also his cousins & code friends that were with me at the time of his death. He was not alone, he never had to be as long as I was around. I will forever love & miss him more than words can describe. Also his father in law Larry Adkins, extended brother Blake Davis & many friends. Until we meet again my Mo-Mo. Love always.*
