“ Aunt Mary Brown always made Bart and I feel so much a part of her wonderful family since the day we met her 6 years ago. She had always known in her heart that Bart (Clifford Eugene) would "find" his family one day, and I am so thankful that he was able to do that while she was able to get to know him and they could enjoy each other. She will forever live in our hearts. She is a very special lady, and will be greatly missed. We love you Aunt Mary.

“ *I will always remember Miss Mary's love and kindness and her kind words Everytime she saw you. She made you feel special and loved each time,as if it was only the two of you in a room full of people and you mattered most of all. I loved her more than words can say and will think of fondly each day. Thank you for making my life better Miss Mary. Love to all of you.*
