“ I wish I could have met you, I can only pray that you are looking down and see that the Love I have for your baby boy Roderick is pure and true. You raised him to be a great man. I promise to love him and take care of him the way you would if you were here. One day I know we will meet in Heaven. Rest peaceful and know that you are still thought of daily with lots of love.

*Remember Mary when she was on the CB, going by the handle of

were working during the night in order to help keep them awake.*
