“ *For Kim, Johnny, Flick, Michelle, Matthew, David, Cleve, Jamie, and the Great-grands, our hearts and love surround you all. Maxine was a sweet soul. She always took my hand, looked me in the eyes and asked how I was doing. She genuinely cared that you were alright and listened and expressed concern and love for me and mine. What a wonderful gesture...how thoughtful, how caring! I have only wonderful memories of Maxine and they are always surrounded by family and friends. If you were a friend of Kim's, you were a friend of Maxine. She took you into her heart without hesitation. What a wonderful woman! Though we know she is now with the ones she loved that passed before her, those of us who are left behind will hold our memories and love of her close in our hearts and will miss her.*
