“ Mike was like a brother to me. God bless your family. He was my friend. There was nothing he would not do for you if asked. He never expected anything in return. The service was wonderful today. I will miss him.

“ Joanna,

So sorry to hear of Mike's passing. We have a lot of great memories beginning in 1975!! Trips to FLA for Spring Break, sleeping in rest areas on the grass, waking up soaking wet!!! sleeping on floors in WPB and Daytona...but having a blast along the way!!! snow ball fights at C-N, Cherokee lake skiing and just hanging out at the house!!!

I already miss his humor and candor about so many things. He always called them like he saw them but wasn't afraid to ask my opinion, which I was always willing to give!!

I will miss you my brother!!! Gone too soon but in the arms of Jesus!!! I'll be seeing you!!

“ So sorry to hear of Michael's passing. He was a classmate of mine and my son's teacher later on. He was a very special person with a smile that could light up the room.

“ My dear sweet Michael went to God yesterday . I love him with all my heart.
We were married for exactly 14 months today. We loved the very same things. He could always make me laugh. And when he laughed his whole face would smile! He loved his friends tremendously and kept them close with the phone and visits. He loves his dear son, Michael James with every ounce of himself. I put a picture of myself on his bedside table. The frame says: if you live to be a hundred, I want to be a hundred minus one day, so that I never have to live a day without you.
Dear Family and friends thank you so much for all your love and support. I love you all. Joanna
