“ I won't be able to attend the receiving of friends or the funeral because it's hard to get time off this week at work, but I did want to share what I remember most about Aunt Nancy. Of course, she's my cousin, not really my aunt but that didn't matter to us. Anyways, when I was little, either I heard her name wrong or had a hard time pronouncing 'Nancy' because I remember calling her 'Aunt Nasty' for a long time. She either never noticed or didn't mind because I don't remember anyone correcting me. I eventually realized I was saying it wrong and corrected myself.

“ Nancy was one of my favorite childhood friends. Everyone that knew her loved her. She was fun to be around and always saw something good in everyone she met. I know she will be deeply missed by her family and loved ones. I also know she's with her family in heaven singing and watching over her loved ones that are present here on earth. She lived life to the fullest and had amazing faith in God. Nancy will be missed by many and never forgotten. Prayers for all the family and friends. I Love All of You.
