“ Patrick was one of a kind. I first got to know him at OD on the dock. That is where I discovered If you were with Patrick it was going to be fun! We remained friends up until the end and I considered him one of my best friends. Unfortunately the last few years it was just over the phone and I regret that.

“ Some of my best memories are of spending quite a lot of time with Jason and Patrick decades ago while being lovingly watched over by their mother, Peggy. Patrick had one of the best senses of humour you'd ever find in a young lad. I pray that he finds peace, though he has departed far too early. Say hello to Howard for us, Pat.

“ I will always remember our Home Depot days, bonfires at your house in Talbott , P\$4life “I’m on a boat!” and other fun times and memories we had. The world is now a little bit darker without you. Still can’t believe you are gone. Prayers going up as well for Peggy and his family during this difficult time. I know how much he adored his nephews and watching them grow.
