“ *Dear Family,  
We remember Patti so well as Dr. Harley Fite's administrative assistant and later for Dr. John Fincher when Phil came back to work at CNC in the early 1970's. She was always a gracious lady, cordial to all, treating everyone with respect while often carrying out difficult duties. It has been a pleasure to know her for many years as an engaged community member and fellow member of FBC Jefferson City. May your family remember all the good times with this great lady. Remembering you in our thoughts and prayers. Phil & Becky Kindred*
