“ We remember when Bo had come to Michigan with his dad for fathers day and they stayed with us for a few days. Ray had always wanted to see the Henry Ford Museum. We had given Bo driving directions to the museum, about two hours later after they had left, Bo called and seemed to be lost, some how he ended up in Beverly Hills Michigan, which was about forty miles past his exit. They did eventually make it to the museum. What a laugh and a memory. On another day Marilyn had made a nice dinner for us and Ray had told Bo that he had to do the dishes while the three of us (Ray, myself and Marilyn) sat under the shade tree with a cold one. When BO finished his dishes, Ray had good laugh at BO,s dished water hands. MEMORIES. Love- Terry & Marilyn
