“ I haven't seen Becky in several years, saw her often at Thorngrove store when her mom worked there. Becky was a classmate at Carter High. She was always happy.
God bless the family as you grieve her loss.

“ My forever favorite memory of Becky was her wedding to Freddie...it was the first outdoor wedding i had ever attended and her little gremlin car. Becky always had a smile to greet people with...but she had the best laugh ever...I will always remember that about her...fly high cousin ...give momma a big hug for me
