“ *Ric was a gentle soul, who I came to know, he was a bit rough around the edges but had a heart of gold, he always thought of others and in many instances put others before his own wants and desires....RIP Ric...you made a difference in every life you touched!*

“ So sad to hear about RIC.We shared so many great memories especially in our late teens and early 20's.  
I know you are in heaven with Randy,you both have the stereo full blast and eating \$40 of candy(i still laugh EVERYTIME I think about that).  
May you rest in peace until we can meet again my sweet friend.  
Praying for Ric's family and friends
