“ Hi, this is Cynthia Eugene, Richard's sister.
Although I lost touch with Richard some years ago, I remember his calls when he first started studying Reiki, And how much joy it brought him to be able to help people.
I never got a chance to meet his kids and their families, but maybe in the future.
I wanted to sent them my sincere sympathy and healing Energy for a happier future.
I am sorry to have missed the celebration of life. My sister just informed me About it a couple of days ago.
I would love to hear how y'all are doing, you can catch me by email at joyous_spirit@iCloud.com. Please leave your name on the subject line.
Or to text (831)920-7490.
My thoughts are with you, and I send you blessings. 💕💕
