“ Spent a lot of time at Major with Roger, and also played many rounds of golf with him! Will always remember the tournament we play at Millstone CC when Roger decided to imitate Happy Gilmore, but slipped and landed on the ground! Glad he didn't hurt himself and was able to continue playing! We all got a good laugh! Prayers and condolences to Ann and all the family. Roger always had a sweet and cheerful attitude. He knew how to make me laugh!
