“ It saddens me to hear that Ronnie has passed. I thought the world of him. He was a really great friend to me and Poncho. We always had a lot of fun when Ronnie was around. I know there isn't much I can say to comfort you, as I know your hearts are broken. Just know that he was a good man, well worth remembering, and that he loved his family so much. All of you will be in my thoughts, and I love you all.
