“ Oh my, my, what a big ,big, big lost of a good friend and a great team player and a great worker and a man that knew what to do a floor to make it shine and knew how to get spots out of the carpet. And I remember the green house come and buy the most beautiful flowers 🌸 baskets. And I always remember you use to keep Pepsi in your cooler and you park under the tree at heritage with my brother. So many memories you left behind for us to remember and I'll never forget the smiles I seen and the tears you shed and our talks and you don't know how it help me and Nora to.

“ A truly remarkable person. Loyal, kind and always dependable. It was an honor to work with Ronnie and have his friendship. His love for his horses was shared with my daughter, and she will never forget this with her companion horse Patches that Ronnie gave to her. He is missed dearly and will forever be carried in our hearts.
