“ I have not been active on Facebook , and I have just now learned of sweet Ruby’s passing. I think we became facebook friends after I read a blog she had written. Regardless, I enjoyed her posts and admired her so much. So smart and so wise...and she had determination and “ kept on going.” I was sad when she left New Market because I had hoped to meet her in person , but it wasn’t meant to be...but I am thankful she is my sister in Christ Jesus and in God’s perfect timing , I will get to see Ruby . She was such a wonderful Mother...and a blessing and an inspiration to all.

(I live in Rogersville, Tennessee, and anytime I hear New Market mentioned in the news , I automatically think of her.)
