“ Sandy was a wonderful person and a good friend. We went to school together from the first grade through high school graduation in 1971. She always had a kind word for everyone. She was a person who believed if you would be a friend you would make a friend. I am glad that God blessed my life by allowing me to know her. She will be missed. I know that right now she is helping to bless Heaven with her presence there. I will miss you my friend!
