“ One thing I've learned as I have gotten older and that is that what's the most important to us changes ,, our memories of times gone bye become more important everyday and as I lay here reflecting on all the good times with Sandra and Heather, My son and Sandra's daughter were like best friends for years ,you probably could even called them childhood sweethearts , they were always together including birthdays, Christmas parties at school, and Christmas at each others homes ,,spending summers together, going to church together, the Lord sure has been good to all of us over the years and now we are all looking forward to spending eternity in Heaven together with our Lord Jesus Christ!! 🙏❤️🙏 PRAYING FOR PEACE AND COMFORT and UNDERSTANDING that can only come from JESUS!
