Sandy was such a special friend that I will never forget. May this candle burn eternally in her memory of our friendship. She had such courage and positivity. To all the family, I wish you strength and comfort in knowing that she is now resting in Peace and with no more pain. May God continue to bless all of you.

“ *Sandy was a special lady who will be missed by her neighbors, friends and family.. While I never knew Sandy well, I knew her to be a caring and loving person, who loved animals, especially dogs. In fact, there are a couple of neighborhood fur babies who will miss her and her loving touch very much. I worked with her son, Keith and always found him to be kind, funny and a true gentleman. It takes a special mom to raise such great sons.*

Good neighbors, good people, Our thoughts and prayers are with this family for the days to come. May you find solace in your memories. We are all richer for having been touched by this lovely lady. Peace be with you.
