“ *Mr. Fielden has always been a wonderful and well known and respected man in this community/county. But more so he was well loved by our family and myself. Unfortunately I missed his service and found out about his passing due to the passing of my step-dad and thats when Brad had let us know. My heart breaks for The family and I know that we will see him again one day, but that doesn't replace the void that is left in the hearts of those that are still here without their loved ones. Please know that our family will be keeping the Fielden family in our thoughts and prayers and we are sending lots of love. May God give you comfort and peace in this time of loss. Mr. Fielden was truly a beautiful soul and will always be loved and missed along with Mrs. Fielden. Such a wonderful and caring family who have always shown love, respect and compassion for others around them. May God bless you!!*

“ Robin and I are very sad to learn of Gene's passing. Gene gave us a shot when we first started our business and was one of the very first customers we had and continued trusting us for many years. He was not just a colleague but Gene and his entire family turned out to be wonderful friends. We are praying for the Fielden family.
