“ Sarah Lynn you weren't just my cousin, you were my best friend. Our whole lives if I ever needed you, you were there. From our Barbie and baby doll days, to heart breaks and everything in between. We've wiped tears, we've argued and shared laughs (so many laughs) you knew all my secrets, you were always my go to. My heart isn't ready for this and probably won't ever fully accept it. I miss and love you beyond words. "This isn't goodbye, it's I'll see you later" I can't wait to see that beautiful smiling face again when it's my time. Breathe easy now beautiful!

“ I was blessed to be able to take care of Sarah and her brother Brian as their nurse at East Tennessee Children's Hospital. I was their nurse many times over the years. I fell in love with Sarah, Brian, and their family. I am truly blessed to have played a small part of their lives. Sarah was such a beautiful girl inside and out. She will be truly missed by all those who knew her. My deepest condolences go out to her family during this difficult time.
