“ My heart is broken to hear that you are gone. You were always like another sister to me, you and Susan. You always treated me like a little sister and I will forever be grateful for that. When I was a teenager, you, Susan, and Karen taking me to concerts, cruising the dam on Sunday's. I hope you knew that I never forgot all those wonderful times. I love you and please give Karen and Curtis a hug for me. Love and prayers to all of your family.
