“ I was blessed to work with Shirley from 1986-1990 at Carson Newman. She was one of my work mommas. I could always count on her smile. When I left, she got me a dozen roses. After I left CN. Shirley and I kept in touch. The last few years we really connected on Facebook. We looked forward to one another's posts. When my mother passed in 2017, Shirley came to the receiving of friends. I love her and my heart is broken. Prayers for all you all.
