One of my early memories is entertaining some of her high school classmates in our back yard. One of her classmates eventually became my high school football coach. Shirley's bright smile and positive outlook lifted all those around her. It will be missed. Now she's entered her rest among the great cloud of witnesses.

“ Shirley was my oldest sister, she sure will be missed. I have a lot of memories with her and she used to help take care of my children while I worked. Thoughts and prayers for family and friends.
