“ *Some of the best memories I have of Shurrel are the times he, Judy, and I sat out front of their home under a shade tree while Shurrel regaled both Judy and I with stories of his fishing expeditions as well as stories about the family pets.
He could make me laugh until tears ran down my cheeks.
I loved listening to him talk about Judy and how he and Judy raised their little family.
Shurrel always knew how I have desired owning my own horse so he would show me photos of the beautiful horses Judy and he have raised together.
Shurrel and July have always made me and my daughter Jackie, feel as if we were part of thei family.
Shurrel, I want you to know, it's not good-bye but I'll be seeing you again...
soon!!!*

“ *Worked with Shurrel at Averitt Express when I was in college.He was as solid as they come. Over the years, I have looked back and thought of our conversations and thought what a rock solid guy he was. He was as fair a person as I have ever met. God speed Shurrel and thanks for all the wisdom you passed my way.*
