“ *This woman was my best friend for many years. We spent everyday and night together. Some of the greatest memories and years of my life were with her. She took care of me.. and I did her too. She knew me for who I was and loved me unconditionally. I won't forget the nights looking at the night sky or our endless crusades in the woods on a daily basis. She was first didn't take no bs and was a survivor. I admired her. She was beautiful she was my sister my best friend and now she's gone. I will never have another best friend and I'm okay with that because there's no1 that can ever fill her shoes. Our Lord and savior has called her home to Paradise.. You Brock and Rocky don't have all the fun without me. Lol. I love you.*
