“ *Steve was my uncle and was as good of a man as there ever was. I always looked forward to going swimming or family get togethers at his house. Later on he'd come watch me wrestle and it meant more to me than he'd ever know. Rest in peace Steve.*

“ My heart is broke. Uncle Steve was so much more than an uncle to me. From the time Stephanie and Michael was born, and any time they came to visit, I managed to go back home with them. Summers were awesome. He and Aunt Racheal would play on a ball team. Days and nights were spent on the fields. It was just what family is supposed to be. Stephanie and Michael were fortunate to get the best parents. Only someone looking in from the outside could really soak up their joy. Uncle Steve loved playing Santa Claus for the kids. He loved kids so much. What grew to be a few kids driving by turned into a family tradition for a lot of families in New Market. You didn't leave Santa's home without a gift for each child. He will be missed greatly by all who knew and loved him. My thoughts and prayers go out to my family who are grieving the loss of a great man. I love you all.

Steve was my daughter Donna Jeans' father inlaw and a good one. I always appreciated him for being there for my daughter, and I considered him our friend. Love you Andrew and Michael.
