“ I haven't seen Stevie in about 3 years since I've become disabled but I'm honored to have been one of Stevie's nurses for several years, he was one of the sweetest people I've ever known and gave the best bear hugs. Everyone loved him so much. I know our Lord has a great spot for you my brother! I'll be seeing you there!!

Steven we have made many memories over the past 10-15 years. A three day camping trip, water slides, picnics on Roan Mountain, and boat rides just to name a few. You have won your race my friend. Rest high on that mountain. We love you buddy.
