“ I am Barbara Osborne’s granddaughter, therefore Susan is my great Aunt. Sadly, overtime, family has been apart. But, this doesn’t mean we love her and our other family any less. I hope she is at peace and will be praying for our family. I pray that our family, especially her children, will be able to be at peace as well. God has her now and she is in a happier place. I know this is an extremely difficult loss, but if you all need anything I am here. I wish we could have been at the graveside service, but health issues made that impossible. You all are in our thoughts and prayers! She was a great woman, Uncle Ronnie was a great man, and we are all blessed to have known them!

“ I remember when I was a lot younger. Daddy taking us to see Uncle Ronnie and Aunt Suzanne. It always fascinated me how fast she could take. Lol. Just sorry our family drifted apart. RIP Aunt Suzanne, from all of James Mills family. Tell Uncle Ronnie we love and miss him.
