“ One sweet (crazy) lady. The last time I saw her she said “there’s my boyfriend “. She always called me that. She is going to be missed dearly but she is in a place we all strive to go. No more pain, strive, and earthly troubles. She’s with Papaw Bill and Mamaw Imogene. Bill probably took her fishing and Mamaw fried them up and had a great meal with all the family gone before. Love you girlfriend.
