“ I have known Wes since I first came to CHS in 2001. He was always a gentleman and interested in others. We would talk in the hallways in various offices. He talked of his wonderful family of whom he was very proud. He was an extraordinary craftsman. He left us too soon but will always be remembered.

“ May God give you strength and comfort, now and in the coming days. I enjoyed getting to know Wes when he did the renovation to the CHS-Blaine office several years ago. His smile was contagious and his sense of humor was wonderful, kept us laughing 😊. Until we meet again, my friend.....God speed.
