“ I am not sure I ever encountered Bill on a day anyone would have called a good day. Either Bill or someone he loved was in the hospital. But somehow, well, we know how, Bill found a way to be hopeful and pleasant in the midst of great uncertainty. This was a man of faith who lived his faith in the gracious way he treated others. I will always be grateful to have known Bill and look forward to seeing him again. Holding all who love Bill in my prayers.
