“ *Dearest Nadine and family,
I'm so sorry for your loss. May God hold you in His ever loving arms as you travel through this time of sorrow. May He give you peace and comfort each day in every way. May it comfort you to know that God took another angel home and His promise to all is that you and family will see Carroll again someday in that Beautiful place called Heaven.*

I am so glad to have known Carroll and his laughter. He sure made this world a better place for all who knew him. I sure Mom is talking with him now. She thought the world of him. Our families thoughts and prayers are with you.
