He will be greatly missed as a friend and co-worker. I know the others in machine repair and myself will greatly miss his sense of humor.*

“ Such sad news, so sorry for your loss. We had the pleasure of meeting and riding with Roy “Zoom Zoom” Whillock in the Black Hills the summer of 2019. He was a real joy to be around. He and Ralph hit it of right of right bat. He came to visit with us before we left Newport in October 2019. Even though we only knew him briefly, he will always be remembered sweetly.

“ I had the privilege to work with Roy for over twenty years. He could always make work more bearable with his sense of humor and his laugh. We all will remember the warm spring and summer evenings, spent at supper, on the "wall of wisdom" sharing stories and friendly jabs. Roy always had a quick wit that was appreciated by all who knew him. We will miss you Roy.

“ Working with Roy for 20+ years has been filled with many wonderful memories. All the times I caused him to be late for his breaks because I needed something made he was always there when needed. Truly a special guy and dear friend who will be greatly missed. Blessed to have had the privilege to call him a friend.
